S|T|O|R|E is an internally managed net-lease real estate investment trust, or REIT, that is the leader in the acquisition, investment and management of Single Tenant Operational Real Estate, or STORE Properties. S|T|O|R|E is one of the largest and fastest-growing net-lease REITs. What makes S|T|O|R|E Capital so special is that it is helping to meet an acute need for efficient long-term real estate capital. S|T|O|R|E's customers are mid-sized and larger real estate-intensive companies across the service, retail and industrial sectors of the economy. S|T|O|R|E provides net-lease solutions to help these businesses more efficiently finance their profit-center real estate.

COMPANY STRENGTHS: "S|T|O|R|E is deeply passionate about being the leader in middle-market real estate capital solutions. We pride ourselves on providing superior investment origination, investment underwriting, investment documentation, portfolio management and financial reporting and treasury."

STRENGTH OF STAFF: "S|T|O|R|E owns about \$5 billion of real estate assets. However, we are not about the real estate. The real estate is a byproduct of our relationship with our customers. And being customer-centric sets us apart."
